			Date _____ SIGNATURE _____

## **Become a Pollworker for the Danville Election Commission**

The Danville Election Commission must appoint a panel of judges to serve each election in every city precinct. We are currently looking for interested voters to serve in this capacity.

An election judge must be a registered voter in the city of Danville, be able to read and write the English language and be able to read and follow directions well.

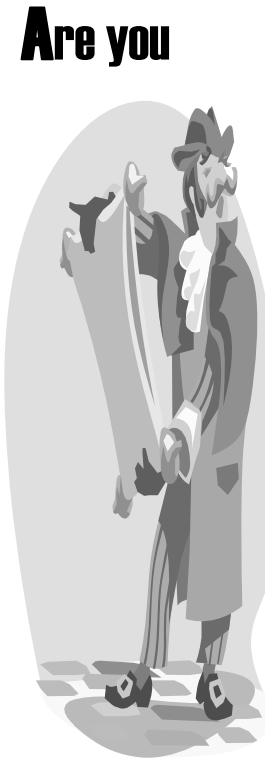

As an election judge, you would be required to attend 4 hours of training every two years in order to be certified for a 2-year term in which you will be required to work 4 elections. Once training is completed, you receive \$100 per election. A fee of \$90 is paid if training is not completed before service.

Please complete the application and mail to the Danville Election Commission. Training classes are held during the even-numbered years, with refresher classes held prior to each election
