Please join us on July 20, 2018 in supporting the Vermilion County State's Attorney's Victim Assistance Program. The 24th Annual Victim Assistance Program Golf Outing will again be held at Turtle Run Golf Club. We are asking for your participation to make this year's event another great success.

Victims who may be unfamiliar with the judicial system need the assistance of the State's Attorney's Office Victim Assistance Program for many issues that may arise throughout the court process. Our Victim/Witness Advocates assist in court notifications, answer questions to provide a better understanding of prosecution, provide information on helpful resources around Vermilion County, such as emergency shelter, counseling services and transportation, as well as providing a stable support system for victims and witnesses. The Victim/Witness Advocate is a consistent, available contact for victims and witnesses until the case is resolved.

The money we raise from the golf outing is used to support all of the listed services and many more which may be needed to meet the specific needs of each victim or witness. Our goal is to ensure the best possible case disposition for victims, their families and for the community as a whole.

Your support of the Vermilion County Victim Assistance Program helps ensure our goal is met to provide all victims of crime the best possible services available.

Sincerely,

Jacqueline M. Lacy
