ATTN: Mr. Mark Cravens

RE: Parapet repair at Vermilion County courthouse

We propose to furnish all labor, material, tools and equipment necessary to complete the above said job according to our discussions and as follows:

1. Rent an extendable boom man basket.
2. Power wash the exterior and interior sides of the limestone parapet.
3. Cut out all existing caulking on the parapet then install new backer rod and polyurethane caulking.
4. Apply a construction grade limestone sealant to the parapet.
5. Clean up and remove our debris.

TOTAL COST—EIGHTEEN THOUSAND SEVEN HUNDRED EIGHTY AND NO/100 DOLLARS (\$18,780.00).

NOTES:

1. The front parking lot will need to be shut down during the exterior cleaning and sealing.
2. John Leverenz Masonry Inc. has included Saturday and Sunday work.
3. The electric pigeon control wires will need to be shut off.
- 4.

We also agree to carry Workers Compensation, Public Liability Insurance, pay payroll taxes on labor furnished under this Contract, as required by the Internal Revenue Service and the State of Illinois.

Respectfully Submitted,
