Dear Vermilion County Residents:

The people of Vermilion County can well be proud of our county’s history and tradition. The County Clerk’s office is privileged to publish this Yearbook, which describes our county government and the services it provides.

The Reference and Yearbook is a collaborative effort between our office and the many entities listed in it. We sincerely appreciate the help of everyone involved, we ask that you please notify us of any updates that may become necessary via telephone at (217) 554-1908 or via email at cwilson@vercounty.org

Cathy Jenkins - Vermilion County Clerk

Vermilion County Clerk’s Office Staff

Lindsay Light - Chief Deputy/Supervisor of Elections

Robyn Heffern – Assistant Chief Deputy

Amy Stimac – Vital Records Manager

Vickie Wright - Vital Records

Carrie Wilson - Tax Extension Supervisor

Abby Miller – Tax Extension

Vermilion County, Illinois

Vermilion County was established January 18th, 1826, and at one time covered a great deal of territory, stretching nearly to Kankakee and Peoria. At present, it comprises 898 square miles. Danville is the county seat.

The early history of Vermilion County revolves around the Kickapoo, Miami and Piankashaw Indian nations. Once pioneers came into the area, discovery and exploitation of the salt springs began. Indian paths were soon turned into roads and Vermilion County started its rich agricultural climb.

Farmers turned the rich, black soil to produce food and also raised cattle and hogs. Sidell and Collison are named after two of these first settlers. In the mid-nineteenth century, coal became king of the economy.

The county was influenced by the Winnebago Wars, the Civil War, WWI, and WWII. Many of our residents served in the Korean, Vietnam, and Persian Gulf conflicts, as well as more recent military actions. Our heroes are numerous and have merited many decorations for valor and bravery.

Vermilion County is served by a number of rail routes, as well as an Interstate Highway and an airport.

A National Home for Disabled Volunteer Soldiers was established in 1897. It is now a general medical unit of the Veterans Administration. The hospital was originally located on 400 acres of ground adjoining Danville. In September of 1966, Danville Junior College was granted a portion of this land and now occupies 65.5 acres. The college is known as Danville Area Community College.

Kickapoo State Park offers overnight camping, picnicking, and fishing from large ponds that were left by strip-mining. Also located in Vermilion County are four beautiful county parks: Forest Glen Preserve, located five miles northeast of Georgetown, Kennekuk Cove, located seven miles northwest of Danville, Lake Vermilion County Park, and Heron Park, located off West Newell Road.
VERMILION COUNTY POPULATION
81,625 Based on the 2010 Decennial Census

- A total of 104 taxing bodies.
- Includes approximately 45 drainage districts which currently levy, out of a total 59 districts.
Legislators need your help!

With thousands of separate pieces of legislation to consider every year, legislators in Springfield and Washington need the opinions, advice, and specialized knowledge of their constituents to guide them. It is impossible for any legislator to have detailed knowledge of the technicalities of every bill on which he or she must vote. This means that legislators welcome your letters and emails, even if you oppose a bill, because you are providing them with the knowledge, they need to make a decision.

How to Write your Legislator

The first essential ingredient of an effective letter to a legislator is a specific reference to the particular bill in which you are interested. Refer to the bill by its official designations, such as H.B. 478 (for House Bills) or S.B. 478 (for Senate Bills). To find a bill number that is being considered in the Illinois General Assembly, go to www.ilga.gov. For federal legislation, go to www.house.gov or www.senate.gov.

The second most important element is a brief description of the bill’s provisions of concern to you, and an explanation of the effect these provisions will have. This informs the legislator of your interest in the bill, and clarifies the practical effect of the legislation as you see it.

The third element of an effective letter is your advice to your legislator as to how, in your opinion, he or she should cast their vote.

How to Address the Letter

State Senators and State Representatives receive correspondence from their constituents at either their district or Springfield offices. Both addresses are listed in this directory. It is usually better to address them to Springfield when the Legislature is in session.

Since Congress is in session for a longer period than the Illinois General Assembly, U.S. Senators and U.S. Representatives receive most of their legislative correspondence at Washington D.C.

- Established January 18th, 1826
- Compromises 898 Square Miles
- Voted Township Organization in 1851
- County Seat—Danville
COUNTY BOARD

Vermilion County operates under the township form of county government. The governing body is the County Board. As the legislative element, the County Board is responsible for adopting all ordinances for the governance of Vermilion County, establishing budgets for the several county funds as well as levying taxes therefore, and setting policies, rules and regulations for the management of county operations.

Vermilion County is apportioned into nine (9) County Board districts. Members are elected for four-year terms. At least one member is elected in each district every two years. However, all twenty-seven (27) members are elected at the November General Election in the second year following the decennial census.

The County Board meets on the second Tuesday of each month at 6:00 p.m. on the 2nd floor of the Vermilion County Administration Building. If the second Tuesday of the month falls on a county-approved holiday, the meeting will be held the next day, Wednesday, at 6:00 p.m. If the second Tuesday falls on an election day, the meeting will be held the following Tuesday at 6:00 p.m. The public is welcome to attend.

The County Board has nine standing committees which meet regularly. These meetings are also open to the public.

Officers of the County Board are its Chairman and Vice-Chairman. They are elected by the County Board members for a two-year term at an organizational meeting in December following the General Election in November.

Vermilion County Board Office

VERMILION COUNTY CLERK

The County Clerk’s office has four major functions: (1) Clerk of the County Board and keeper of the county records; (2) chief election officer for the county; (3) keeper of vital records, including birth, death and marriage and civil union records; and (4) person responsible for computing tax rates and for the redemption of delinquent taxes.

By law the County Clerk also files the commissions for notaries public, files assumed names for businesses, issues marriage and civil union licenses, and statements of economic interest.

The County Clerk’s office is the depository for vital records for Vermilion County residents. The office has on file birth certificates dating from 1858 and death certificates from 1877. The Clerk’s office also has issued marriage licenses since the founding of the county in 1826.

The County Clerk is responsible for election administration and voter registration for all governmental units in the county except within the city limits of Danville. The implementation of the Help America Vote Act resulted in many changes in the electoral process, including new voting equipment. Opportunities for voting were expanded by new devices designed for voters with disabilities, and by Early and Grace Period voting.

The County Clerk also computes the tax rates of the various units of government based on the amount of money requested by each government and the amount of the assessed value within the district. Tax rates are set by dividing the levy (taxes requested by the district) by the assessed valuation; rate = levy/assessed value. From these rates individual tax bills are prepared by the County Collector (Treasurer).
VOTER INFORMATION

Who May Vote
In order to vote in Illinois in any election almost all persons must be registered. If you reside within the city limits of Danville you may register with the Danville Election Commission; outside the city limits of Danville you may register with the County Clerk’s office. Many city, village and township offices also offer registration, as do many precinct committeemen.

Who May Register
Every United States citizen 18 years of age and older who has been a permanent resident of Illinois and of his or her election district at least 30 days preceding any election shall have the right to register.

Members of the armed forces (or spouse or dependent living with such member), or those who have been honorably discharged within 60 days prior to an election, need not be registered but must qualify in all other respects. They should register as soon as possible after they return to their voting precincts.

Once registered, a voter need not reregister unless a name change occurs. If a voter has moved, or his address has been changed, he must notify his election official.

Two pieces of identification, at least one of which shows a current address, are required for registration under Illinois law.

Mail-in voter registration is also an option. Forms are available from your election official or may be downloaded from the county’s website at www.vercounty.org

Where to Register
The offices of the County Clerk and the Danville Election Commission in the Vermilion County Administration Building are open Monday through Friday, except on county holidays. Extended hours are offered close to all elections.

Vermilion County Clerk: 8:00 a.m. to 4:30 p.m. (217) 554-1900
Danville Election Commission: 8:00 a.m. to 4:30 p.m. (217) 554-1931

A voter may also register with his or her precinct committeeperson, or with a deputy registrar. In addition, many township, city, and village clerks offer voter registration, as do both the Danville and Hoopeston Drivers License Facilities and a number of other agencies. Call your election official for more information. Special arrangements may be made to register disabled voters.

When to Register
Registration is closed during the 27 days prior to an election. Individuals who miss the deadline may register or transfer their registration at the office of the election authority under the guidelines of grace period registration.
How to Obtain an Absentee or Early Ballot

A qualified voter who cannot vote in person on Election Day or prefers to vote early may request from the County Clerk or the Danville Election Commission an application for an absentee or early ballot.

The application must be filed with your election official not more than forty (40) days, or less than five (5) days before an election if the ballot is to be mailed.

If applied for in person, the application and ballot may be completed as late as one day before the election in the office of the election official. I.D. is required.

Any member of the armed forces may obtain application forms from his or her military base, by writing or calling the election official or on-line at www.vercounty.org. In 2009, the M.O.V.E. Act was passed to more easily enable voting for military and overseas voters. Information on M.O.V.E is available at http://www.fvap.gov.

In person Early Voting is available to any voter from 22 days until 5 days prior to an election. No reason for early voting is required; however, a government issued photo I.D., such as a driver’s license, must be presented. Since a reason is no longer required to vote absentee, the dates are effectively extended to the absentee dates of 40 days to 1 day prior to the election.
How to Obtain a Marriage License or Civil Union License in Vermilion County

To obtain a marriage or civil union license both parties must appear at the office of Cathy Jenkins, County Clerk in the Vermilion County Administration Building. With rare exception you must come together to apply for the license. The County Clerk’s office is open Monday through Friday from 8:00 a.m. to 4:30 p.m. and is closed on all legal holidays. Please apply for a marriage or civil union license between 9:00 a.m. and 4:00 p.m.

Anyone obtaining a marriage or civil union license in Vermilion County may use the license only in Vermilion County. The license must be obtained at least one day prior to being used; it is void 60 days after its effective date.

The fee for a marriage license or civil union license is $50.00.

The age requirement for marriages and civil unions is 18. Parental consent for 16 and 17 year olds wishing to be married must be given by both natural parents. In the case of divorced parents, both must still sign, regardless of which parent has legal custody. If one parent is deceased, a death certificate must be shown. No one, under any circumstances, may be married under the age of sixteen (16).

The marriage or civil union license must be returned to the County Clerk’s office within ten days after the date of the ceremony. If you wish to be joined by a judge, you must make arrangements by calling the Circuit Clerk’s office Monday through Friday 8:30 a.m. to 4:30 p.m. at (217) 554-7700.

5th Judicial Circuit
Honorable Mitchell K. Shick, Chief Judge
Honorable Tom O’Shaughnessy, Presiding Judge

Vermilion County is part of the 5th Judicial Circuit, which consists of Vermilion, Clark, Coles, Cumberland, and Edgar Counties.

The Chief Judge is chosen by the elected judges of the Circuit Court. He or she serves at the pleasure of the judges, and not for a specified term. The Chief Judge’s function is primarily that of an administrator. It is his or her overall task to direct the smooth and orderly flow of cases from their commencement at the time of filing through their disposition.

Vermilion County has four elected Circuit Judges and three appointed Associate Circuit Judges. The Presiding Judge is the Honorable Craig DeArmond.

The Chief Judge and the Presiding Judge also direct the cooperative efforts of the court system and court related services, including Adult and Juvenile Probation Departments, Jury Commission, and Public Defender’s Office. The judiciary cooperates with the offices of the Clerks of the Circuit Court, State’s Attorneys and Sheriffs throughout the judicial circuit.

Fire Protection in Vermilion County

“Vermilion County has many years of tradition in fire service. The county has one fully paid department and the balance is volunteer departments. There are currently 3 municipal departments and 16 fire protection districts.

The Emergency Services Group of Vermilion County is very active in the organization known as I & I Firefighters’ Mutual Aid. This group has membership from Eastern Illinois and Western Indiana. It meets monthly at different locations to discuss current issues in emergency services. Members work together to improve their educational level and professional relations.

Vermilion County is fortunate to have talent and resources available to its residents, from trained personnel, apparatus, and equipment, to reliable water supplies and communications systems. We should be justly proud of the services provided.

The most impressive attribute of Vermilion County is that the people serving in the Emergency Services, Police, Fire, and Ambulance Departments are, in the majority, volunteering their time and talents, and are always striving to provide an even higher level of protection to the people of Vermilion County.

That’s what makes Vermilion County, Illinois such a special place to live.”

Danville Public Library
"Education is not preparation for life; education is life itself."

The Red Oak School was erected in 1917 and named after the trees that surrounded the original building. In 1946, the attendance was a mere 9 pupils. The school house was relocated to Kennekuk County Park in 1989.

Vacant since 2006, the Classical Revival Bresee Tower was built in 1917 as the First National Bank, designed by the Chicago firm of Mundie & Jensen. At twelve stories, the Bresee Tower is the tallest building in Danville. Later named for brothers Paul and H.R. Bresee, who bought the building in 1963, the tower was utilized for its height as a broadcast point for WIAI radio station. The current owner, a Kentucky broadcasting company, purchased Bresee Tower in 1993.
