#### DANVILLE ELECTION COMMISSION VOTER OUTREACH

Danville Election Commission Executive Director, Sandy Delhaye, announced that the last day for residents of the City of Danville to register to vote (excluding Grace Period Registration) prior to April 6, 2021, Consolidated General Election is March 9, 2021.

Registration is available in person at the Danville Election Commission office, by mail or online. A potential voter may print a copy of the Registration Application from the commission's website, [www.danvillevotes.com](http://www.danvillevotes.com). A person may also register at any Illinois Secretary of States' license facility if they are renewing a driver's license or updating their address.

You may also register at <https://ova.elections.il.gov> if you have a current Illinois Driver's License or Illinois State ID Card. You must give the last 4 digits of your social security number. Your registration will be processed and you will receive your voter card within 2 weeks of applying.

Residents unable to register to vote in person due to a disability and have no internet access may contact the election office at 217-554-1930 for assistance. The Election Commission can arrange for in-home registration.

Illinois law also provides for Voting by Mail. Those who wish to Vote by Mail must have their signed request for a ballot in the office no later than Thursday, April 1, 2021. Early voting in the Danville Election Commission begins Thursday, February 25, 2021, and runs through Monday, April 5, 2021.

The City of Danville will also have the AutoMark Voter Assist Terminal available in the Commission Office, 201 N. Vermilion Street, Lower Level of the Vermilion County Administration Building for any voter who needs assistance marking his or her ballot. The terminal accepts the optical scan ballot, reads it to the voter, if desired, and marks it according to the voter's instructions using either the touch screen or a directional keypad. The ballot is then returned to the voter to be inserted in the tabulator to be counted.

For additional information regarding these topics or any other voting issues, please call the Danville Election Commission Office at 217-554-1930.
