Re: State-issued Authorization to Offer Cable or Video Service

Dear Ms. Jenkins:

By this letter, and pursuant to Section 301(c) of the Cable and Video Competition Law of 2007, as amended (the "Law") (220 ILCS 5/21-301(c)), Avenue Broadband Communications Inc. (d/b/a NewWave Communications) is providing notice that, not less than 180 days after the date of this letter, it or an affiliate intends to file an application with the Illinois Commerce Commission to obtain a State-issued authorization to offer or provide cable service or video service in Vermillion County. Avenue Broadband Communications Inc. has a Franchise Agreement to offer cable video service in Vermillion County that expires on July 14, 2023. Per Sections 301(c) and 401(g) of the Law, that Franchise Agreement shall be terminated on the date that Avenue Broadband Communications Inc. or its affiliate becomes authorized to offer or provide cable service or video service in Vermillion County under the Law. The change from a municipal franchise to a state authorization will not affect its commitment to provide superior technology and excellent customer service. Should you have any questions about this notice or the conversion to a state authorization, please contact the undersigned.

Sincerely,

Craig A. Gilley
