AGREEMENT

This AGREEMENT is entered into this 1st day of December, 2019, by and between the County Board, Auditor, Coroner, County Clerk, Recorder, Treasurer, State's Attorney, and Supervisor of Assessments of the County of Vermilion, hereinafter referred to jointly and collectively as the "Employer" and the International Brotherhood of Electrical Workers, Local #21, AFL-CIO, hereinafter referred to as the "Union".

Inasmuch as the parties desire to establish and to set forth in writing the terms and conditions under which the Employees shall work during the term of this Agreement to secure harmonious cooperation in the relations between the Parties, and to provide means for the peaceful settlement of disputes, it is agreed as follows:

ARTICLE 1
RECOGNITION

1.01 The Employer recognizes the Union as the exclusive representative of employees in the bargaining unit set forth in the Amended Certification of the Illinois State Labor Relations Board in Case Number S-RC-16, incorporated by reference herein, for purposes of collective bargaining with respect to rates of pay, hours of employment, and other terms and conditions of employment.

1.02 In the event that any new or different classifications of employees not listed above as being within the bargaining unit of this Agreement, or, in the event that the duties and responsibilities of any of the classifications listed above are changed, and, the Parties are unable within a brief and reasonable period of time to determine whether it is appropriate and consistent with the Certification and with this Article 1 either to include or to exclude such classification in the bargaining unit, then the Parties shall seek a clarification of such issues from the State Labor Relations Board.

ARTICLE 2
RIGHTS RESERVED BY THE EMPLOYER

2.01 Except as limited by the express language of this Agreement, the Employer retains and reserves the sole and exclusive rights to manage and to control its properties and its operations; and to manage its business affairs; to direct its employees, including the exclusive rights to hire, to assign, to transfer, to promote, to demote, to layoff, to recall, to evaluate performance, to determine qualifications, to discipline, to discharge for just cause, to make, modify, and enforce rules and regulations, to establish and to effectuate policies and procedures, to set standards of performance, to determine the number of employees, the duties to be performed, and the hours and locations of work; to establish, change, or abolish positions, to discontinue any function; to sub-contract, to create any new service or function; to make any technological changes; to install or remove any equipment, regardless of whether any such action causes reductions or transfers in the work force, or whether such action requires an assignment of additional, or fewer, or different duties, or causes the elimination or addition of positions; to either temporarily or permanently close all or any portion of its facilities and/or relocate such facilities or any operations. Provided, that the foregoing rights may not be exercised in a manner which is in conflict with explicit provisions of this Agreement. Provided, further, that subcontracting of bargaining unit work shall not have the effect of displacing bargaining unit employees in the offices of the County Clerk, County Recorder, Auditor, State's Attorney, Supervisor of Assessments, Coroner, or County Treasurer.

The rights expressly reserved by this Article 2 are merely illustrations of and are not inclusive of all the rights retained by the Employer. Rights reserved by management may not be exercised in a manner which conflicts directly with other express and explicit provisions of this Agreement.

The rights set forth above, and any and all rights, powers, authorities, and prerogatives the Employer had before entering into this Agreement are retained and reserved by the Employer unless expressly and explicitly waived herein. The Employer reserves the right to assign to or to allow Statutory Supervisors to perform any work for the Employer.

ARTICLE 3
NO STRIKES - NO LOCKOUTS

3.01 During the term of this Agreement, there shall be no strikes, slow-downs, stoppages of work, or interference in any form with work or operations for any reason, cause, or purpose during the term of this Agreement. The Union also expressly waives, for the term of this Agreement, any right to strike over matters which are not subject to the Grievance and/or Arbitration procedures of this Agreement, including any sympathy strikes.

3.02 Any employee who engages in any strike, slow-down, stoppage of work, or interference with production or operations, including any wildcat or sympathy strike, during the term of this Agreement shall be subject to immediate discharge, and shall have no rights or recourse under this Agreement. Stewards, Committeemen, and all employees who hold any office opposition with the Union occupy a position of special trust and responsibility in maintaining and bringing about compliance with this provision. This provision shall not prevent any IBEW Local 21 Area Steward, or Chief Steward from honoring any legal picket line conducted by IBEW Local 21; provided there shall be only one union representative covered by this exception.

3.03 There shall be no lockout of the employees by the Employer during the term of this Agreement.

ARTICLE 4
GRIEVANCE, MEDIATION, AND ARBITRATION PROCEDURE

A. GRIEVANCE PROCEDURE

4.01 A grievance is defined as a complaint by an employee that a particular provision of this Agreement has been violated or any non-contractual disagreement between any employee and management. The grievance and arbitration procedure set forth herein, and any other such procedure shall expire, become null and void, and shall not be enforceable after the expiration date of this Agreement.

4.02 If a grievance arises, it shall be handled in the following manner:

a) Any employee having a grievance shall first discuss the matter with his immediate supervisor. If it is not settled promptly, the employee may grieve as follows:

b) The grievant or his representative must set forth in writing the facts involved and the specific provision(s) of the Agreement (if any) alleged to be violated within fifteen (15) calendar days after the employee knew or should have known of the event giving rise to the grievance. This written grievance shall be signed by the employee and/or his representative, and shall be submitted to the Employer. Within fifteen (15) calendar days after receipt of the grievance, the employer's representative shall answer the grievance in writing.

c) If the answer of the Employer or its representative is not acceptable to the Union the grievance shall be appealed to the Human Resource Director in writing no later than 14 calendar days after the Employer's answer. The Human Resource Director or his/her designee will meet with the Business Representative of the Union or his/her designee as early as practicable but within 30 days of mailing of the written appeal. The parties will mutually agree on a date and time for the meeting. A meeting at any step of the procedure may be recessed or reconvened at a later date if the Parties mutually agree. Either party may bring persons to the meeting to aid in the resolution or discussion of the grievance. The Human Resource Director will provide an answer in writing within 14 calendar days after the meeting.

d) If the answer of the Human Resource Director is not acceptable to the Department Head or Elected Official, he shall respond to the recommendation within 30 days of the answer of the Human Resource Director by either rejecting the recommendation or submitting a modified response to the grievance in response to the Human Resource Director's recommendation. If the Department Head or Elected Official has not provided a written response to the Human Resource Director's recommendation within 30 days, this shall be deemed a rejection of the recommendation and the Union may proceed in accordance with §4.02 (e). The written response by the Department Head or Elected Official shall be sent to the Union and the Human Resources Director.

e) If the recommendation of the Human Resource Director is not acceptable to the Union or if the Department Head or Elected Official's response provided pursuant to §4.02 (d) is not acceptable, the grievance (if it pertains to the alleged violation of a particular provision of this Agreement) may be submitted to Arbitration if either party submits written Notice of Intent to Arbitrate by Certified Mail within forty-five (45) calendar days after the date the Department Head or Elected Official's response or failure to respond pursuant to §4.02 (d). While Arbitration of the dispute is pending, the grievance (if it pertains to the alleged violation of a particular provision of this Agreement) will be submitted to Mediation pursuant to the below procedures upon the request of either party.

f) Failure of either party to comply with the time limits specified herein shall be construed to be an abandonment of the position taken on the grievance by the party failing to comply with said time limits. The time limits set forth in this Article may be waived only and without exception by written mutual agreement between the parties.

g) By mutual agreement of the Employer and the Employee, as represented by the Union, grievances may be filed at the appropriate advanced step. Grievances may be withdrawn at any time by agreement of the parties. If the parties agree in writing, the withdrawal of a grievance shall set no precedent for future practices or grievances.

h) The Union may request from the Employer copies of specific documents relative to the grievance under consideration. Such request shall not be denied so long as

(1) the request is made in a timely way giving the employer reasonable time to locate and copy said documents, and

(2) the request does not pertain to documents considered confidential by law or would constitute an unwarranted violation of privacy as defined under the Freedom of Information Act.

However, if concerns regarding confidentiality or privacy can be reasonably resolved by redacting documents or obtaining appropriate consents, the requested document shall be provided. If a dispute arises due to privacy or confidentiality concerns, the Department head or their delegate, the Union and the State's Attorney or Assistant State's Attorney shall meet to resolve the dispute.

4.03 Stewards shall handle Union business, or other Union members only, while off duty, unless mutually agreed otherwise, or pursuant to the procedures set forth in Article 10 below.

B. MEDIATION PROCEDURE

4.04 If a grievance is to be submitted to Mediation, the Mediator shall either be appointed by the appropriate Federal Mediation and Conciliation Office or be selected by agreement between the Employer and the Union. When the parties fail to agree upon a Mediator within five (5) working days after agreement to mediate, the Union or the parties, jointly, shall promptly request a list of seven (7) names from the Federal Mediation and Conciliation Service. The decision to choose will be made by the party requesting mediation.

4.05 The mediation hearing shall be conducted by the Mediator, at mutually agreeable times and places, or, failing agreement of the parties, at times and places designated by the Mediator.

4.06 In conducting the hearing, the Mediator shall not be bound by rules of evidence or procedural rules, and the parties shall be allowed, subject to the governance of the Mediator, to present their respective facts and arguments as they see fit.

4.07 At the conclusion of the hearing, the Mediator may attempt to obtain a compromise between the parties, and may, in conjunction with such efforts, give the parties an advisory settlement proposal, which may advise the parties of the ruling the Mediator would expect if the matter were to be submitted to Arbitration and the reasons therefore, on the basis of the facts presented, the applicable contract provisions and the positions of the parties.

4.08 The opinion of the Mediator shall be advisory. If it is or is not accepted by the parties, it shall not be admissible evidence in, and it shall be forever excluded from, any subsequent Arbitral, Administrative, or Judicial Proceeding.

4.09 Each party will pay its own participants and its own witnesses. The parties will share equally only the fee and expenses of the Mediator, and the cost, if any, of the hearing room. Grievances which do not pertain to the alleged violation of particular provisions of this Agreement is not subject to Mediation, even though such grievances may have been entertained by the parties in other steps of the procedures set forth in this Article 4.

C. ARBITRATION PROCEDURE

4.10 If the parties agree to submit a grievance to Arbitration, the Arbitrator shall be selected by agreement between the Employer and the Union. When the parties fail to agree upon an Arbitrator within five (5) working days after agreement to arbitrate, the

Union or the parties jointly shall promptly request a list of seven (7) names from the Federal Mediation and Conciliation Service. Either party may reject the first, and request a second list of seven (7) more names, after prompt notice to the other party. Each party shall alternately strike names; the moving party striking first, from the list employed by the parties until one (1) name remains, which shall be the Arbitrator selected.

4.11 The Arbitrator shall have no power to add to or to subtract from or to alter or modify any of the express terms of this Agreement, or to ignore or to imply any term or provision. Within the foregoing limitation, the decision of the Arbitrator shall be final and binding. Grievances which do not pertain to the alleged violation of particular provisions of this Agreement is not subject to Arbitration, even though such grievances may have been entertained by the parties in other steps of the procedures set forth in this Article 4.

4.12 Each party will pay its own participants and its own witnesses. The parties will share equally only the fee and expenses of the Arbitrator and the cost, if any, of the hearing room and reporter.

Such activities will be conducted without interruption or interference with the Employer's operations.

Such employee shall advise his immediate supervisor of such circumstances and request to be relieved of his duties for the period necessary to handle the matter. Permission shall be granted unless the supervisor determines that the employee cannot be released because of the Employer's operations requirements.

The Employer shall establish a regular time each month for all new employees meeting the requirements of this section to be made available to the Union at a mutually agreed upon place. The union representative will not be paid by the County for this orientation period.

10.04 The Union will notify the Employer in writing of the designation of any employees as Union representatives and of any changes in such designations.

10.05 The Employer shall deduct monthly from the pay of each bargaining unit employee from whom it has received a written authorization to do so the amount certified by the Union to be the amount required for payment of monthly membership dues and uniform initiation fees, and remit the sums deducted to the Union within twenty (20) working days after the deductions are made.

10.06 All bargaining unit employees who are not members of the Union and who do not become members of the Union within thirty (30) days of the effective date of this Agreement or of their date of employment, whichever is the later, and continuing during the term of this Agreement, so long thereafter as they are not members of the Union, shall pay to the Union each month their fair share of the costs of services rendered by the Union which are chargeable to non-members under applicable law, as certified by the Union to the Employer, and which may not exceed the monthly dues uniformly required of members of the Union. Upon receipt of said certification, the Employer shall deduct monthly and remit to the Union within twenty (20) working days thereafter the required fair share contribution from the pay of any employee who has not authorized the deduction of Union dues pursuant to 10.05 above.

10.06 The Employer shall be relieved from making the above deductions upon termination of employment, transfer from the bargaining unit, revocation of the authorization; and, the Employer shall not be obligated to deduct dues from an employee's pay during any month in which the employee's pay is less than the amount to be deducted.

10.07 The only obligation of the Employer is to deduct and remit the certified amounts to the Union. The Employer shall bear no obligation or liability to the Union or any employee for any mistakes made in compliance with said obligation. The Union shall indemnify, defend, and hold harmless the Employer, its officers, agents, and employees from and against any and all claims, demands, actions, complaints, suits, or any other forms of liability that shall arise out of or by reason of any action by the Employer for the purpose of complying with this Article 10 or in reliance upon any list, form, notice, certification, or assignment furnished pursuant to the provisions hereof.

10.08 All employees shall be members in good standing or pay fair share, in accordance with the provisions of this Agreement.

A) The Union shall submit to the Employer an affidavit which specifies the amount constituting each employee's fair share contribution, and which describes the rationale and method by which the fair share contribution was determined, including a list of the expenditures which were included and excluded in determining the fair share contribution.

B) The Union shall prepare a notice containing the fair share fee information specified in Paragraph A of this Article 10 above, and advising that any nonmember may object to the amount of the fee

(1) through the Union's internal appeal procedure, culminating in arbitration, by sending a letter to the President by certified or registered mail or by delivery to the Union Office, at any time after the notice but within sixty (60) days after the first wage payment of the year from which his/her fair share fee has been deducted, or

(2) by filing an unfair labor practice charge against the Union with the Illinois State Labor Relations Board in accordance with the Rules of the State Labor Board, or

(3) by taking any other action available to them at law or equity.

C) The Union shall distribute the notice described in Sub-section (B) by

(1) posting it and the Union Internal Review Procedures, and

(2) providing business agents and stewards with copies of the notice for distribution to non-member employees, and

(3) providing additional copies to the Employer.

D) A copy of the Union Internal Appeal Procedure culminating in arbitration of any objector's claims shall be supplied to the Employer. The Union shall advise the Employer of any subsequent changes therein.

E) Upon the Union's receipt of notice of an objector's challenge to the fair share contribution determined by the Union, the Union shall deposit in an escrow account, separate from all other Union funds, the amount of fair share payment received on behalf of an objector or objectors that is fairly placed at issue by the objection(s), but not less than thirty-three percent (33%) of the fair share fee. The Union shall furnish objectors and the Employer with verification of the terms of the escrow arrangement and, upon request, the status of the funds as reported by the bank. The escrow funds will be established and maintained by a reputable independent bank or trust company and the agreement therefore shall provide that the escrow accounts be interest bearing at the highest possible rate; that the escrow funds be outside of the Union's control until the final disposition as provided for herein; and that the escrow fund will terminate and the fund therein be distributed only by the terms of an ultimate award, determination, or judgment including any appeals, or by the terms of a mutually agreeable settlement between the Union and an objector or group of objectors.

F) If an ultimate decision in any proceeding hereunder directs that the amount of the fair share fee should be lower than the amount fixed by the Union, the Union shall promptly adopt said determination and notify the Employer to reduce deductions from the earnings of nonmembers to said prescribed amount.

G) The rights of non-association of employees based upon bona fide religious tenets or teaching of a church or religious body of which such employees are members are safeguarded in accordance with Section 6 (g) of the Act. Such employees shall pay an amount equal to their proportionate share determined under a proportionate share agreement to a non-religious charitable organization mutually agreed upon by the employees affected and the exclusive representative to which such employees would otherwise pay such fee. If the affected employees and the exclusive representative are unable to reach an agreement on the matter, an organization shall be chosen by the employee from an approved list of charitable organizations established by the Illinois State Labor Relations Board.

11.07 Subject to the needs of the Employer and its operations, the Employer agrees to grant leaves of absence without pay for periods not to exceed two (2) weeks to any Union official or member for purposes of Union business, provided the Department Head for the Department in which the employee works is notified in advance of the requested leave of absence and its duration and is able to make adequate scheduling arrangements to have the employee's job covered during such absence.

11.08 During leaves of absence in excess of thirty (30) calendar days, employees shall not be entitled to or earn any vacation or holiday benefit, and shall be obligated to assume the full cost of any insurance-related benefit during such periods.

ARTICLE 12
VACATIONS

12.01 All regular full-time employees with one or more years of continuous service shall be entitled to vacation time with pay according to the following schedule:

<u>Years of Service</u>	<u>Days of Vacation</u>
One	5
Two - Seven	10
Eight - Twelve	15
Thirteen - Twenty-four	20

26 or more 1 additional day per year up to a maximum of 30 days.

12.02 Years of service are based on calendar years.

12.04 The Employer reserves the right to schedule vacations on the basis of operating requirements, but will give due regard to the employees' wishes with preference being given to the employees with the greatest seniority. After an employee's vacation has been approved and scheduled, it cannot be changed except by agreement between the employee and the Employer.

12.05 Employees who are terminated, resign, or retire shall receive any earned, but unpaid, vacation pay on their next pay date. No vacation benefits are earned during leaves of absence in excess of thirty (30) calendar days.

If there is insufficient time remaining in the year to schedule the entire vacation, the employee will, nevertheless, receive his vacation pay.

12.07 Vacation schedules in each office, department, or functional entity will be developed by seniority during the month of October of each year. Vacation schedules should be comprised of bargaining unit employees only; however, in the rare instance that a supervisory person is included due to the size of the office, all selections will be done on a seniority basis. Upon request, a representative of the Union will be invited to attend a meeting for this purpose. Employees will be notified in writing by January 1 of the approval of their vacation for the following year.

EXHIBIT D – MEMORANDUM OF UNDERSTANDING

The County and Union recognize that as technology advances and the nature of some positions change there will be the possible need to change job descriptions and duties or to consolidate positions. This will occasionally result in the elimination of some job positions and the need to increase the compensation of individual positions to account for increased responsibilities and duties as a result. Both parties recognize the value and need to work cooperatively together in developing changes that on the one hand improve the efficient use of technology and resources and on the other improve the compensation, job satisfaction and working environment of the employee. Both parties agree to meet as needed to discuss and modify job positions and compensation where needed to improve productivity and the compensation that goes along with such improvements. Nothing in this MOU changes either the rights of management or the union's rights to bargain but is intended to aid the process of discussing from time to time, as has been the practice of both parties, changes in job responsibilities and compensation that benefit both the employer and employee.
