

RESOLUTION

RE: Economic Development and Public Infrastructure

WHEREAS, the Vermilion County Board realizes the critical importance that public infrastructure projects play in successful Economic Development, and

WHEREAS, it is a priority of the County to partner with the Communities in Vermilion County to seek funding for public infrastructure improvements that will lead to economic development opportunities, and

WHEREAS, support by the County in its overall Development Plan for these projects is critical for seeking State and Federal Grant Funds to make these project viable.

BE IT THEREFORE RESOLVED THAT:

- A. The Vermilion County Board sets as a priority the construction and funding of infrastructure projects in its communities for the purposes of fostering a positive environment for maximized economic growth.

PRESENTED, APPROVED AND RESOLVED by the County Board of Vermilion

County, Illinois at the February 14, 2017 A.D. session.

DATED this 14th day of February, 2017 A.D.
