

RESOLUTION

RE: Security Technology Vermilion County Administrative Building

WHEREAS, as we have acquired a new administrative center the County is in need of security technology; and,

WHEREAS, bids for such technology were received and it appears that the most responsible bid has been identified as from Johnson Control, Inc. and has been selected by the Technology Services Department as the best solution.

NOW, THEREFORE, BE IT RESOLVED by the Vermilion County Board that bid is awarded to Johnson Technologies, Inc. and should be forthwith put in place.

PRESENTED, APPROVED, and RESOLVED by the County Board of Vermilion County, Illinois, at their July 10 2018, session.

DATED, this 10th day of July, 2018, A.D.
