**C. Board Member Comments:** Mr. Mockbee expressed concerns about the state lock down on behalf of the small business owners of Vermilion County and urged that a resolution be created that we can vote on at the next meeting to open the economy in Vermilion County before it is to late.

Mr. Watson thanked the Chairman for getting him through this meeting and thanked everyone in the County Board office for their work.

Chairman Baughn wanted to elaborate on the Vermilion County Animal Shelter updates. A new Director and Supervisor have been hired and started last week. He has personally spent some time out there and has noticed some positive changes. He has also shared with them the concerns from the public as well as some County Board members. They will be working on a weekly shelter update the Director will be sending. The updates will be forwarded to the County Board members to help keep them informed on the progress. Also, social media policies have been put in place.

Chairman Baughn also wanted to address Mr. Mockbee's concerns regarding the small businesses of Vermilion County. He has met with many officials at the State and local level. There are some surrounding counties that have passed similar resolutions. He agrees that we need movement and has a resolution written up that will at the minimum show that the County Board is supporting local businesses in their time of need. It will also ask the Governor to consider looking at expanding on the current plan regarding opening region by region. He will send an email out with the resolution for Board Members to look at prior to possibly calling a special meeting or it potentially being an item for consideration at the next regular meeting.
