**ORDINANCE**

**RE: Mileage Reimbursement to be Determined by Federal Rate**

**WHEREAS**, Vermilion County has from time to time adopted a resolution concerning mileage reimbursement for required business travel; and

**WHEREAS**, as part of conducting County business and attending various mandatory training courses both employees, elected officials and Board members may incur costs for gas and wear and tear on their private vehicles necessitating reimbursement where County vehicles are not provided or available; and

**WHEREAS**, this has required an annual determination of the appropriate rate based upon the federal rate by the County Auditor; and,

**WHEREAS**, it would be appropriate to adopt the full Federal mileage reimbursement rate as written by the Federal Government, and ascertained by the County Auditor, each year and published accordingly, and so modify the policy set out in Resolution 01-0607 which set a rate at \$0.25 per mile less than the Federal rate, as it is fair and appropriate that an Employee, Department Head, or Elected Official, should receive full reimbursement for the use of their private vehicle for County business.

**NOW, THEREFORE BE IT ORDAINED** by the County Board of Vermilion County Illinois that the County Auditor and County Board Chairman and Office be authorized and instructed to annually determine the Federal mileage reimburse rate on an annual basis to be effective each January 1st, provided however that any interim or emergency mileage reimbursement rate shall be used if so adopted by the Federal government and approved by the County Board Chairperson and Auditor, and to publish the same and use that rate for mileage reimbursement for County officials and Employees, all effective upon the passage of this ordinance.
