Please join us on July 16, 2021 in supporting the Vermilion County State's Attorney's Victim Assistance Program. The 26th Annual Victim Assistance Program Golf Outing will again be held at Turtle Run Golf Club. We are asking for your participation to make this year's event another great success. Last year, like many charitable organizations, we had to take a break from our annual fundraiser due to COVID-19. This year we are looking forward to a successful event while continuing to ensure the health and safety of all our participants.

Victims who may be unfamiliar with the judicial system need the support of the State's Attorney's Office Victim Assistance Program for many issues that may arise throughout the court process. Our Victim/Witness Advocates provide court notifications, help to give a better understanding of the prosecution and offer information on helpful resources around Vermilion County, such as counseling, mental health services, emergency shelter and transportation. The Victim/Witness Advocate is a reliable and consistent contact for victims and witnesses until the case is resolved.

The money we raise from the golf outing is used to support all of the above-listed services, and many more, which may be needed to meet the individual needs of each victim or witness. Our goal is to ensure the best possible case disposition for victims, their families and for the community as a whole.

Your support of the Vermilion County Victim Assistance Program helps us to better serve all victims of crime in our county.

Sincerely,

Jacqueline M. Lacy
