Vermillion County  
2365.13  
Statement regarding Work Done

The work during this period on the project was extra work.

1. Working on pedestrian access across a 10' x 5' box culvert that was extended.
    - Box culvert was extended 5 feet
    - Sidewalk alignment shifted such that east edge of sidewalk is 5 feet from edge of pavement
    - Developed new sidewalk profile
    - Developed new cross sections
    - Relocated storm sewer
    - Added pay item for chain link fencing to protect 1:2 side slope and end of box culvert.
  2. Considered full-width paving to eliminate centerline joint. Developed traffic control plan for this paving operation.
  3. Full-width paving idea dropped, considered Longitudinal Joint Sealant (JBAND). Added Longitudinal Joint Sealant to project as an experimental feature.
