DISTRICT 5 LOCAL ROADS PROCESS REVIEW

Cathy Johnson
COUNTY CLERK
VERMILION CO. IL

2021-00 OVERVIEW

The Central Bureau of Local Roads and Streets provides guidance through Circular letters, the Local Roads Manual, training, and other means to provide standards of uniform practices for local agencies, -Bureau of Local Roads and Streets central office (Central BLRS), Bureau of Local Roads and Streets district offices (district), and consultant personnel in preparing reports and contract plans for local agency projects.

As changes in guidance occur, past practices have been found to continue which require the attention of Local Agencies to improve their use of the uniform practices to promote processing of work.

District 5 Local Roads has recognized a need to bring attention to guidelines and will provide memoranda to highlight process issues to maintain better uniformity within District 5.
