SECTION 2: Grant of Authority

2.1. Pursuant to Section 621(a) of the Cable Act, 47 U.S.C. § 541 (a), and 55 ILCS 5/5-1095(a) of the Illinois Municipal/Counties Code, and Ordinance No. ~~13-6703~~ ¹³⁻⁶⁷⁰³ approving and authorizing the execution of this Agreement, the County hereby grants to the Grantee a nonexclusive Franchise authorizing the Grantee to construct and operate a Cable System in the Public Ways within the Franchise Area, and for that purpose to erect, install, construct, repair, replace, reconstruct, maintain, or retain in any Public Way such poles, wires, cables, conductors, ducts, conduits, vaults, manholes, pedestals, amplifiers, appliances, attachments, and other related property or equipment as may be necessary or appurtenant to the Cable System, and to provide such services over the Cable System as may be lawfully allowed.

2.2. Term of Franchise. The term of the Franchise granted hereunder shall be ten (10) years from the Effective Date, unless the Franchise is renewed or is lawfully terminated in accordance with the terms of this Franchise Agreement and/or applicable law. From and after the Effective Date of this Franchise Agreement, the Parties acknowledge that this Franchise Agreement is intended to be the sole and exclusive Franchise Agreement between the Parties pertaining to the Grantee's Franchise for the provision of Cable Service.

2.3. Renewal. Any renewal of this Franchise shall be governed by and comply with the provisions of Section 626 of the Cable Act, as amended, and any applicable State law which may exist at the time of renewal and which is not superseded by the Cable Act.

2.4. Police Powers. Nothing in this Franchise Agreement shall be construed as an abrogation by the County of any of its police powers to adopt and enforce generally applicable ordinances deemed necessary for the health, safety, and welfare of the public, and the Grantee shall comply with all generally applicable laws and ordinances enacted by the County pursuant to such police power.

2.5. Reservation of Authority. Nothing in this Franchise Agreement shall (A) abrogate the right of the County to perform any public works or public improvements of any description, (B) be construed as a waiver of any codes or ordinances of general applicability promulgated by the County, or (C) be construed as a waiver or release of the rights of the County in and to the Public Ways.

2.6. Competitive Equity.

2.6.1. In the event the County grants an additional Franchise to use and occupy any Public Way for the purposes of operating a Cable System, the additional Franchise shall only be granted in accordance with the Illinois Level Playing Field Statute, 55 ILCS 5/5-1095.

2.6.2. In the event an application for a new cable television franchise or other similar authorization is filed with the County proposing to serve the Franchise Area, in whole or in part, the County shall to the extent permitted by law promptly notify the Grantee, or require the Grantee to be notified, and include a copy of such application.

2.6.3. Provided that appropriate vehicle safety markings have been deployed, Grantee's vehicles shall be exempt from parking restrictions of the County while used in the course of installation, repair and maintenance work on the Cable System.

SECTION 3: Construction and Maintenance of the Cable System

3.1. Except as may be otherwise provided in this Franchise Agreement, Grantee shall comply with all generally applicable provisions of the County of Vermilion, as may be amended from time to time.

3.2. Aerial and Underground Construction. At the time of Cable System construction, if all of the transmission and distribution facilities of all of the respective public or municipal utilities in any area of the Franchise Area are underground, the Grantee shall place its Cable Systems' transmission and distribution facilities underground, provided that such underground

locations are actually capable of accommodating the Grantee's cable and other equipment without technical degradation of the Cable System's signal quality. In any region(s) of the Franchise Area where the transmission or distribution facilities of the respective public or municipal utilities are both aerial and underground, the Grantee shall have the discretion to construct, operate, and maintain all of its transmission and distribution facilities or any part thereof, aerially or underground. Nothing in this Section shall be construed to require the Grantee to construct, operate, or maintain underground any ground-mounted appurtenances such as customer taps, line extenders, system passive devices, amplifiers, power supplies, pedestals, or other related equipment.

3.3. Undergrounding and Beautification Projects.

3.3.1. In the event the County requires users of the Public Way who operate aerial facilities to relocate such aerial facilities underground, Grantee shall participate in the planning for relocation of its aerial facilities, if any, contemporaneously with such users. Grantee shall be reimbursed its relocation costs from public or private funds allocated for the project to the same extent as such funds are made available to other users of the Public Way, if any, provided that any utility's exercise of authority granted under its tariff to charge consumers for the said utility's cost of the project that are not reimbursed by the County shall not be considered to be public or private funds.

3.3.2. The Grantee shall not be required to relocate its facilities unless it has been afforded at least sixty (60) days notice of the necessity to relocate its facilities. Upon adequate notice the Grantee shall provide a written estimate of the cost associated with the work necessary to relocate its facilities. In instances where a third party is seeking the relocation of the Grantee's facilities or where the Grantee is entitled to reimbursement pursuant to the preceding Section, the Grantee shall not be required to perform the relocation work until it has received payment for the relocation work.

SECTION 4: Service Obligations

4.1. **Initial Service Obligations.** As of the Effective Date of this Agreement, Grantee's Cable System has been designed to provide, and is capable of providing, Cable Service to residential Customers throughout the Initial Franchise Service Area. The Grantee shall continue to make Cable Service available in the Initial Service Area throughout the term of this Agreement and Grantee shall extend its Cable System and provide service consistent with the provisions of this Franchise Agreement.

4.2. **General Service Obligation.** The Grantee shall make Cable Service available beyond the Initial Franchise Service Area to every residential dwelling unit within the Franchise Area where the minimum density is at least thirty (30) dwelling units per linear Cable System network mile as measured from the existing Cable System's technically feasible connection point. Subject to the density requirement, Grantee shall offer Cable Service to all new homes or previously unserved homes located within one hundred twenty-five (125) feet of the Grantee's distribution cable (e.g., a Standard Installation).

4.2.1. The Grantee may elect to provide Cable Service to areas not meeting the above density and distance standards. The Grantee may impose an additional charge in excess of its regular installation charge for any service installation requiring a drop or line extension in excess of a Standard Installation. Any such additional charge shall be computed on a time plus materials basis plus a reasonable rate of return.

4.3. Programming. The Grantee agrees to provide cable programming services in the following broad categories:

Children	General Entertainment	Family Oriented
Ethnic/Minority	Sports	Weather
Educational	Arts, Culture and Performing Arts	News & Information

Pursuant and subject to federal law, all Video Programming decisions, excluding PEG Access Programming, are at the sole discretion of the Grantee.

4.4. Technical Standards. The Grantee shall comply with all applicable technical standards of the FCC as published in 47 C.F.R., Part 76, Subpart K, as amended from time to time. The Grantee shall cooperate with the County in conducting inspections related to these standards upon reasonable prior written request from the County based on a significant number of Subscriber complaints.

4.5. Annexations and New/Planned Developments. In cases of annexation the County shall provide the Grantee written notice of such annexation. In cases of new construction, planned developments or property development where undergrounding or extension of the Cable System is required, the County shall provide or cause the developer or property owner to provide notice of the same. Such notices shall be provided at the time of notice to all utilities or other like occupants of the County's Public Way. If advance notice of such annexation, new construction, planned development or property development is not provided, the Grantee shall be allowed an adequate time to prepare, plan and provide a detailed report as to the timeframe for it to construct its facilities and provide the services required under this Franchise Agreement.

4.6. Service to School Buildings and Governmental Facilities.

4.6.1. The County and the Grantee acknowledge the provisions of 220 ILCS 5/22-501(f), whereby the Grantee shall provide complimentary Basic Cable Service and a free Standard Installation at one outlet to all eligible buildings as defined in said state statute. Eligible buildings shall not include buildings leased to non-governmental third parties or buildings such as storage facilities at which government employees are not regularly stationed.

4.6.2. Long Drops. The Grantee may impose an additional charge in excess of its regular installation charge for any service installation requiring a drop or line extension in excess of a Standard Installation. Any such additional charge shall be computed on a time plus materials basis to be calculated on that portion of the installation that exceeds a Standard Installation.

4.7. Emergency Alerts. At all times during the term of this Franchise Agreement, the Grantee shall provide and maintain an "Emergency Alert System" ("EAS") consistent with applicable Federal law and regulation – including 47 C.F.R., Part 11 and the "State of Illinois Emergency Alert System State Plan" – as may be amended from time to time. Should the County become qualified and authorized to activate the EAS, the Grantee shall provide instructions on the access and use of the EAS by the County to the County on an annual basis. The County agrees to indemnify and hold the Grantee harmless from any damages or penalties arising out of the negligence of the County, its employees or agents in using such system.

SECTION 5: Oversight and Regulation by County

5.1. Franchise Fees. The Grantee shall pay to the County a Franchise Fee in an amount equal to five percent (5%) of annual Gross Revenues received from the operation of the Cable System to provide Cable Service in the Franchise Area; provided, however, that Grantee shall not be compelled to pay any higher percentage of fees than any other video service provider, under state authorization or otherwise, providing service in the Franchise Area. The payment of Franchise Fees shall be made on a quarterly basis and shall be due forty-five (45) days after the close of each calendar quarter. If mailed, the Franchise Fee shall be considered paid on the date it is postmarked. Each Franchise Fee payment shall be accompanied by a report prepared by a representative of the Grantee showing the basis for the computation of the franchise fees paid during that period. Any undisputed Franchise Fee payment which remains unpaid in whole or in part, after the date specified herein shall be delinquent. For any delinquent Franchise Fee payments, Grantee shall make such payments including interest at the prime lending rate as quoted by JP Morgan Chase & Company or its successor, computed from time due until paid. Any undisputed overpayments made by the Grantee to the County shall be credited upon discovery of such overpayment until such time when the full value of such credit has been applied to the Franchise Fee liability otherwise accruing under this Section.

5.1.1. The Parties acknowledge that, at present, the Cable Act limits the County to collection of a maximum permissible Franchise Fee of five percent (5%) of Gross Revenues. In the event that a change in the Cable Act would allow the County to increase the Franchise Fee above five percent (5%), and the County actually proposes to increase the Franchise Fee in exercise of such authority, the County may amend the Franchise Fee percentage. Following the determination to increase the Franchise Fee and enactment of an ordinance enabling the same, the County shall notify the Grantee of its intent to collect the increased Franchise Fee, and Grantee shall have a reasonable time (not to be less than ninety (90) days from receipt of notice from the City) to effectuate any changes necessary to begin the collection of such increased Franchise Fee. In the event that the County increases said Franchise Fee, the Grantee shall notify its Subscribers of the County's decision to increase said fee prior to the implementation of the collection of said fee from Subscribers as required by law.

5.1.2. In the event a change in state or federal law requires the County to reduce the franchise fee percentage that may be collected, the parties agree the Grantee shall reduce the percentage of franchise fees collected to the lower of: i) the maximum permissible franchise fee percentage; or ii) the lowest franchise fee percentage paid by any other Cable Operator granted a Cable Franchise by the County pursuant to the Cable Act, and Section 5-1095 of the Illinois Municipal/Counties Code; provided that: (a) such amendment is in compliance with the change

in state or federal law; (b) the County approves the amendment by ordinance; and (c) the County notifies Grantee at least ninety (90) days prior to the effective date of such an amendment.

5.1.3. Taxes Not Included. The Grantee acknowledges and agrees that the term "Franchise Fee" does not include any tax, fee, or assessment of general applicability (including any such tax, fee, or assessment imposed on both utilities and Cable Operators on their services but not including a tax, fee, or assessment which is unduly discriminatory against Cable Operators or Cable Subscribers).

5.2. Franchise Fees Subject to Audit. The County and Grantee acknowledge that the audit standards are set forth in the Illinois Municipal/Counties Code at 55 ILCS 5/5-1095.1 (Municipal/County Franchise Fee Review; Requests For Information). Any audit shall be conducted in accordance with generally applicable auditing standards.

5.2.1 In accordance with 55 ILCS 5/5-1095.1 the County shall provide on an annual basis, a complete list of addresses within the corporate limits of the County. If an address is not included in the list or if no list is provided, the Grantee shall be held harmless for any franchise fee underpayments (including penalty and interest) from siting errors.

5.3. Proprietary Information. Notwithstanding anything to the contrary set forth in this Agreement, the Grantee shall not be required to disclose information which it reasonably deems to be proprietary or confidential in nature, with the exception of the information directly related to an audit of Franchise Fees as set forth in Section 5.2. The County agrees to treat any information disclosed by the Grantee as confidential and only to disclose it to those employees, representatives, and agents of the County that have a need to know in order to enforce this Franchise Agreement and who agree to maintain the confidentiality of all such information. For purposes of this Section, the terms "proprietary or confidential" include, but are not limited to, information relating to the Cable System design, customer lists, marketing plans, financial information unrelated to the calculation of Franchise Fees or rates pursuant to FCC rules, or other information that is reasonably determined by the Grantee to be competitively sensitive. Grantee may make proprietary or confidential information available for inspection but not copying or removal by the Franchise Authority's representative. In the event that the County has in its possession and receives a request under the Illinois Freedom of Information Act (5 ILCS 140/1 *et seq.*), or similar law for the disclosure of information the Grantee has designated as confidential, trade secret or proprietary, the County shall notify Grantee of such request and cooperate with Grantee in opposing such request. Grantee shall indemnify and defend the County from and against any claims arising from the County's opposition to disclosure of any information Grantee designates as proprietary or confidential. Compliance by the County with an opinion or directive from the Illinois Public Access Counselor or the Illinois Attorney General under the Illinois Freedom of Information Act, 5 ILCS 140/1 *et seq.*, or with a decision or order of a court with jurisdiction over the County, shall not be a violation of this Section.

SECTION 6: Transfer of Cable System or Franchise or Control of Grantee

6.1. Neither the Grantee nor any other Person may transfer the Cable System or the Franchise without the prior written consent of the County, which consent shall not be unreasonably withheld or delayed.

6.2. No transfer of control of the Grantee, defined as an acquisition of fifty-one percent (51%) or greater ownership interest in Grantee, shall take place without the prior written consent of the County, which consent shall not be unreasonably withheld or delayed.

6.3. No consent shall be required, however, for (i) a transfer in trust, by mortgage, hypothecation, or by assignment of any rights, title, or interest of the Grantee in the Franchise or in the Cable System in order to secure indebtedness, or (ii) a transfer to an entity directly or indirectly owned or controlled by Comcast Corporation.

6.4. The Grantee, and any proposed transferee under this Section 6, shall submit a written application to the County containing or accompanied by such information as is required in accordance with applicable law and FCC regulations, specifically including a completed Form 394 or its successor, and in compliance with the processes established for transfers under FCC rules and regulations, including Section 617 of the Cable Act, 47 U.S.C. §537. Within thirty (30) days after receiving a request for consent, the County shall, in accordance with FCC rules and regulations, notify the Grantee in writing of the additional information, if any, it requires to determine the legal, financial and technical qualifications of the transferee or new controlling party. If the County has not taken final action on the Grantee's request for consent within one hundred twenty (120) days after receiving such request, consent shall be deemed granted. As a condition to granting of any consent, the County may require the transferee to agree in writing to assume the obligations of the Grantee under this Franchise Agreement.

6.5. Any transfer of control resulting from or after the appointment of a receiver or receivers or trustee or trustees, however denominated, designated to take over and conduct the business of the grantee, whether in a receivership, reorganization, bankruptcy or other action or proceeding, unless such receivership or trusteeship shall have been vacated prior to the expiration of a one hundred twenty (120) day period, shall be treated as a transfer of control pursuant to 47 U.S.C. §537 and require the County's consent thereto in the manner described in Section 6 above.

SECTION 7: Insurance and Indemnity

7.1. **Insurance.** Throughout the term of this Franchise Agreement, the Grantee shall, at its own cost and expense, maintain such insurance designating the County and its officers, boards, commissions, councils, elected officials, agents and employees as additional insureds and demonstrating that the Grantee has obtained the insurance required in this Section. Such policy or policies shall be in the minimum amount of One Million Dollars (\$1,000,000.00) for bodily injury or death to any one person, and One Million Dollars (\$1,000,000.00) for bodily injury or death of any two or more persons resulting from one occurrence, and One Million Dollars (\$1,000,000.00) for property damage resulting from any one incident. Such policy or policies shall be non-cancelable except upon thirty (30) days prior written notice to the County. The Grantee shall provide workers compensation coverage in accordance with applicable law. The Grantee shall indemnify and hold harmless the County from any workers compensation claims to which the Grantee may become subject during the term of this Franchise Agreement.

7.2. **Indemnification.** The Grantee shall indemnify, defend and hold harmless the County, its officers, employees, and agents (the "Indemnitees") from and against any injuries,

claims, demands, judgments, damages, losses and expenses, including reasonable attorney's fees and costs of suit or defense (the "Indemnification Events"), arising in the course of the Grantee constructing and operating its Cable System within the County. The Grantee's obligation with respect to the Indemnities shall apply to Indemnification Events which may occur during the term of this Agreement, provided that the claim or action is initiated within the applicable statute of limitations, notwithstanding that the claim may be made or action filed subsequent to the termination or expiration of this Agreement. The County shall give the Grantee timely written notice of its obligation to indemnify and defend the County after the County's receipt of a claim or action pursuant to this Section. For purposes of this Section, the word "timely" shall mean within a time period that does not cause prejudice to the respective positions of the Grantee and/or the County. If the County elects in its own discretion to employ additional counsel, the costs for such additional counsel for the County shall be the responsibility of the County.

7.2.1. The Grantee shall not indemnify the County for any liabilities, damages, costs or expense resulting from any conduct for which the County, its officers, employees and agents may be liable under the laws of the State of Illinois.

7.2.2. Nothing herein shall be construed to limit the Grantee's duty to indemnify the County by reference to the limits of insurance coverage described in this Agreement.

SECTION 9: Enforcement of Franchise

8.1. **Notice of Violation or Default.** In the event the County believes that the Grantee has not complied with a material term of the Franchise, it shall notify the Grantee in writing with specific details regarding the exact nature of the alleged noncompliance or default.

8.2. **Grantee's Right to Cure or Respond.** The Grantee shall have thirty (30) days from the receipt of the County's written notice: (A) to respond to the County, contesting the assertion of noncompliance or default; or (B) to cure such default; or (C) in the event that, by nature of the default, such default cannot be cured within the thirty (30) day period, initiate reasonable steps to remedy such default and notify the County of the steps being taken and the projected date that the cure will be completed.

8.3. **Enforcement.** Subject to applicable federal and state law, and following notice and an opportunity to cure and respond pursuant to the provisions of Section 8.2 above, in the event the County determines that the Grantee is in default of any material provision of the Franchise, the County may:

8.3.1. seek specific performance of any provision that reasonably lends itself to such remedy or seek other relief available at law, including declaratory or injunctive relief; or

8.3.2. in the case of a substantial or frequent default of a material provision of the Franchise, declare the Franchise Agreement to be revoked in accordance with the following:

(i) The County shall give written notice to the Grantee of its intent to revoke the Franchise on the basis of a pattern of noncompliance by the Grantee. The notice shall set forth with specificity the exact nature of the noncompliance. The Grantee shall have ninety

(90) days from the receipt of such notice to object in writing and to state its reasons for such objection. In the event the County has not received a response from the Grantee or upon receipt of the response does not agree with the Grantee's proposed remedy or in the event that the Grantee has not taken action to cure the default, it may then seek termination of the Franchise at a public hearing. The County shall cause to be served upon the Grantee, at least ten (10) days prior to such public hearing, a written notice specifying the time and place of such hearing and stating its intent to request termination of the Franchise.

(ii) At the designated hearing, the County shall give the Grantee an opportunity to state its position on the matter, present evidence and question witnesses, after which the County shall determine whether or not the Franchise shall be terminated. The public hearing shall be on the record. A copy of the transcript shall be made available to the Grantee at its sole expense. The decision of the County shall be in writing and shall be delivered to the Grantee in a manner authorized by Section 9.2. The Grantee may appeal such determination to any court with jurisdiction within thirty (30) days after receipt of the County's decision.

8.4. Remedies Not Exclusive. In addition to the remedies set forth in this Section 8, the Grantee acknowledges the County's ability pursuant to Section 4.8 of this Franchise Agreement to enforce the requirements and standards, and the penalties for non-compliance with such standards, consistent with the Illinois Cable and Video Customer Protection Law and, pursuant to Section 3.1 of this Franchise Agreement, to enforce the Grantee's compliance with the County's requirements regarding "Construction of Utility Facilities in the Rights-Of-Way." Notwithstanding the foregoing, nothing in this Agreement shall be interpreted to permit the County to exercise such rights and remedies in a manner that permits duplicative recovery from, or payments by, the Grantee. Such remedies may be exercised from time to time and as often and in such order as may be deemed expedient by the County.

SECTION 9: Miscellaneous Provisions

9.1. Force Majeure. The Grantee shall not be held in default under, or in noncompliance with, the provisions of the Franchise, nor suffer any enforcement or penalty relating to noncompliance or default (including termination, cancellation or revocation of the Franchise), where such noncompliance or alleged defaults occurred or were caused by strike, riot, war, earthquake, flood, tidal wave, unusually severe rain or snow storm, hurricane, tornado or other catastrophic act of nature, labor disputes, failure of utility service necessary to operate the Cable System, governmental, administrative or judicial order or regulation or other event that is reasonably beyond the Grantee's ability to anticipate or control. This provision also covers work delays caused by waiting for utility providers to service or monitor their own utility poles on which the Grantee's cable or equipment is attached, as well as unavailability of materials or qualified labor to perform the work necessary. Non-compliance or default shall be corrected within a reasonable amount of time after force majeure has ceased.

9.2. Notice. Any notification that requires a response or action from a party to this franchise within a specific time-frame, or that would trigger a timeline that would affect one or both parties' rights under this franchise, shall be in writing and shall be sufficiently given and served upon the other party by hand delivery, first class mail, registered or certified, return

Either party may change its address and addressee for notice by notice to the other party under this Section.

9.3. Entire Agreement. This Franchise Agreement embodies the entire understanding and agreement of the County and the Grantee with respect to the subject matter hereof and supersedes all prior and contemporaneous agreements, understandings, negotiations and communications, whether written or oral. Except for ordinances adopted pursuant to Sections 2.4 and 2.5 of this Agreement, all ordinances or parts of ordinances related to the provision of Cable Service that are in conflict with or otherwise impose obligations different from the provisions of this Franchise Agreement are superseded by this Franchise Agreement.

9.3.1. The County may adopt a cable television/video service provider regulatory ordinance that complies with applicable law, provided the provisions of any such ordinance adopted subsequent to the Effective Date of this Franchise Agreement shall not apply to the Grantee during the term of this Franchise Agreement.

9.4. Severability. If any section, subsection, sentence, clause, phrase, or other portion of this Franchise Agreement is, for any reason, declared invalid, in whole or in part, by any court, agency, commission, legislative body, or other authority of competent jurisdiction, such portion shall be deemed a separate, distinct, and independent portion. Such declaration shall not affect the validity of the remaining portions hereof, which other portions shall continue in full force and effect.
