2022-09 Drawdown of RBI funds for Agencies with Installments Less Than \$45,000

The final installment of Rebuild Illinois (RBI) Funds was posted September 27, 2022. Circular Letter 2020-11 states that all RBI funds are to be associated with identified project(s) within one year of receipt. Installments less than \$45,000 may be used for non-bondable but MFT eligible expenditures.

To facilitate identifying and using all Local Public Agency RBI funds which received less than a \$45,000 installment, **the district will designate the use of RBI funds for all General Maintenance programs first** until the recorded balance is reduced to zero, followed by use of MFT funds.

The RBI funds are required to be expended by July 1, 2025. MFT funds can be accumulated indefinitely.

We trust this effort will proactively assist the Local Public Agencies beginning with Section 23 General Maintenance (GM) programs (2023 Program Cycle).
