Polling Place Accessibility Grant

You are receiving this Polling Place Accessibility pursuant to Section 101 of the Help America Vote Act of 2002, ("HAVA") (52 USC 20901) (CFDA 90.404). Generally stated, the purpose of this grant is to make improvements to Illinois polling places for voters with disabilities. Your election jurisdiction **Vermillion County** ("Election Authority"), will receive the amount of **\$24,600.00**, which will be distributed in a lump sum payment unless you request to receive funds in smaller portions. Specifically, this grant is to be used to:

1. Make polling places, including the path of travel, entrances, exits, and voting areas of each polling facility, accessible to individuals with disabilities, including the blind and visually impaired, in a manner that provides the same opportunity for access and participation (including privacy and independence) as for other voters; and
2. Provide individuals with disabilities and the other individuals described in paragraph (1) with information about the accessibility of polling places, including outreach programs to inform the individuals about the availability of accessible polling places and training election officials, poll workers, and election volunteers on how best to promote the access and participation of individuals with disabilities in elections for Federal Office.

The State Board of Elections and you, the Election Authority, have responsibilities under HAVA both as to spending the grant for its intended purposes and tracking grant expenditures in accordance with applicable State and Federal laws and regulations. By accepting this grant, you agree to document all expenditures for audit purposes in accordance with generally accepted auditing standards, Federal Single Audit requirements, and any specific additional provisions contained in HAVA. You must keep all expenditure documentation and receipts in your records until you are notified by the State Board of Elections to dispose of them. Furthermore, you agree to provide all documentation (i.e., receipts, invoices, copies of checks) applicable to activity under this grant program to the State Board of Elections or other auditing entity upon request.

Under no circumstances is this grant money to be supplanted into the county's election budget by the County Board or the Board of Election Commissioners. These grant funds must be kept separate and segregated. These funds may not be used in any way in a private residence. For example, they may not be used to make permanent improvements to the building(s) or property of a private residence. These grant funds may be used only to make improvements to publicly owned buildings and/or property. Furthermore, purchases made with this grant shall become the responsibility and property of the Election Authority, or to whom the assignment of any permanent property is made by the Election Authority, not the State Board of Elections. All property control and custody responsibilities will be assumed by the Election Authority. The Election Authority must follow the federal equipment management requirements included in 41 CFR 105-71.132 and maintain adequate records of equipment purchased with HAVA funds. Likewise, the Election Authority agrees that all future costs

related to maintenance, repairs, and upgrades to equipment or property purchased with these grant funds shall be the sole responsibility of the Election Authority, not the State Board of Elections.

As a condition of receipt of this grant, the Election Authority agrees to comply with the provisions of the Business Enterprise for Minorities, Females, and Persons with Disabilities Act (30 ILCS 575/) and the equal employment practices of the Illinois Human Rights Act (775 ILCS 5/2-105). There are certain federal financial controls applicable to this grant. According to the regulations of the U.S. Treasury, recipients of Federal monies (State governments) that pass the funds on to sub-recipients in advance (Local governments) must ensure that only those monies determined necessary for immediate cash needs are advanced (34 CFR 80.20). The State Auditor General has interpreted 'immediate cash needs' as receiving advance funds **30 days or less from the expected date of paying the sub-recipient's vendors. Please submit only when you are ready to pay your vendors for qualifying expenses under this Program within the timelines given above.** Therefore, the grant may be applied toward any purchase or lease meeting the above criteria made between July 1, 2021 and June 30, 2022. The Election Authority agrees to indemnify and hold the State Board of Elections harmless against any claims brought against it by the Comptroller General or other agency of the federal government, for reimbursement of the grant funds in the event that the Election Authority is found liable for misapplication, misuse, or misappropriation of funds.

The Election Authority agrees that it will not purchase goods/services with HAVA funds with any party which is debarred or suspended or is otherwise excluded from or ineligible for participation in Federal assistance programs under Executive Order 12549. These can be found on the Excluded Parties List System located at www.gsa.gov (http://www.gsa.gov/Portal/gsa/ep/contentView.do?contentType=GSA_BASIC&contentId=19944&noc=T)

The Election Authority will follow the Lobbying certification as required by Section 1352, Title 31 of the U.S. Code. The election authority assessed this interest penalty must remit the penalty amount to the State Board of Elections within 30 days of receipt of notice from SBE. Such interest payment shall be identified separately from any grant returns or other refunds.

By signing this document, you certify that you agree to use the grant funds provided for the purposes articulated above and certify that you understand and agree to the record keeping and documentation requirements set forth above. **Further, you certify that you will return to the SBE any of the unspent funds remaining within thirty days after receipt of such funds as noted above.** For purposes of this paragraph, the unspent funds shall be considered timely returned if it is actually received in either of the SBE offices (Chicago or Springfield) within 30 days of receipt or, if received beyond such 30-day period, the envelope containing the unspent funds is postmarked within such 30-day period. If the postmark on the envelope containing the unspent funds is missing or illegible, the return of the unspent funds will be considered timely if such envelope is received by the SBE no later than 5 business days following the end of such 30-day period.

In addition, you understand and accept that no additional HAVA related funds will be forthcoming, or in the alternative, that additional grant funds may be reduced by the amount of any outstanding funds owed to the State Board of Elections, until the terms of those agreements are satisfied and any unspent or unaccounted for funds are returned with interest as indicated above.
