Narrative:

A full time Deputy Coroner position is needed in the Coroner's Office. This person would be a salaried employee who would be a rotating shift worker who would also be responsible for transporting decedents to autopsy along with the present staff.

On many occasions there have been multiple decedents at a scene requiring two deputies to transport. This office is a 24 hours a day, seven days a week, 365 days a year operation and has been understaffed for many years. Recently, it has reached a critical issue requiring the staffing to a three person office. The coroner is responsible for thoroughly investigating all deaths that are reported to her office and this will insure that this is being accomplished expeditiously.

Narrative:

Monies in this line item are grant monies which are to be used for equipment and supplies for the coroner's office. Funds in the account have been used in the past to help purchase the current chevrolet suburban that is used as a transport vehicle for the coroner's office. Unfortunately, the deputy who transported along with us using his suburban has resigned and now there is only one transport vehicle. On many scenes we have encountered multiple decedents and the need for another vehicle is essential to the opertaion of our office.
