Please join us on July 14, 2023 in supporting the 28th Annual Vermilion County State's Attorney's Office Victim Assistance Golf Outing, which will again be held at Turtle Run Golf Club. We are asking for your participation to make this year's event another great success.

Victims need the support of the State's Attorney's Office for many issues that may arise while the case is pending. Our advocates provide court notifications, help to give a better understanding of the court process, and offer information for resources around Vermilion County, such as counseling, mental health services, emergency shelter and transportation. The advocate is a reliable and consistent contact for victims and witnesses until the case is resolved.

The money we raise from the golf outing is used to support all of the above-listed services, and many more, which may be needed to meet the individual needs of each victim or witness at a traumatic time in their lives. Our goal is to ensure the best possible case disposition for victims, their families and for the community as a whole.

Your support of the Vermilion County Victim Assistance Program helps us to better serve all victims of crime in our county.

Sincerely,

Jacqueline M. Lacy
