Narrative:

Monies in this line item are grant monies which are to be used for equipment and supplies for the coroner's office. Funds in the account have been used in the past to help purchase the current cheverolet suburban that is used as a transport vehicle for the coroner's office. Unfortunately, the deputy who transported along with us using his suburban has resigned and now there is only one transport vehicle. On many scenes we have encountered multiple decedents and the need for another vehicle is essential to the opertaion of our office.
