WHAT HAPPENED?!

This must be what dating a bipolar person is like. October's meeting was incredible, one of the best ever. And then November... What was that?! Did you all take a valium, did you get a call and were told something, maybe a perk in government somewhere, or some tidbits for the re-election kitty, over medicated??

What ever it was, it was so brutally-abrupt that I'm still trying to recover. No one asked any question of any kind, to the folks they had grilled the month before?! And of course the ignorant peasants in the gallery don't matter, because you're the ruling arbiters of truth.

Oh! Oh!! I know!... You all went to the second public meeting, organized by the petitioning companies, asking all your questions there, which helped others from the community formulate their own questions. A true community gathering and informational exchange - or - was it a controlled sell? Either way... who here... attended?

There was one brave soul among you that attempted to insert some sanity into the subject, by proposing a biannual inspection. A motion, body-slammed by the other members, raising serious questions as to why? Since it probably would not have cost anything extra on our part. It's about then... we got a faint whiff of something afoul.

A critical question never asked... "What is the manufacturers recommended inspection cycle?" Not Theirs!. And what about forever chemicals?.

Ronald Reagan once said: "I must be doing something right, everyone's mad at me."

With that logic I must be on target, as board members ~~don't~~ want to talk to me, the States Attorney makes eye gestures when I'm talking and the Sheriff ~~would even~~ look at me.

IMMEDIATELY
ARE HESITANT.
FINDS IT HARD TO

County Board Dec 12, 2023

We have to assume it's because of my outing of the Brotherhood in their betrayal of Vermilions, in making sure Vermilion County formed a contract with the Chicago Machine, denying our County's Constitutional Rights.

As for Legal Eagles. It does not mater who you are or where you come from. If you're a lawyer, working in the state of Illinois to further the Renewable scam that guarantees unaffordable and unreliable power, then you're a Pritzker Legal Eagle on his B team.

A team backed by our US Congressman, who last week blocked the release of flight logs, listing powerful elite white men, who were flown regularly to an secret island of children. A politician, enthusiastically supporting the ongoing occult mass-genocide of children in the Middle East.

Wake up folks, the shows almost over, just a little more secret society treachery, elimination of more citizen rights and the monitoring of everything that everyone does and you'll have the perfect authoritarian state.

Where Klaus Schwab and the World Economic Forum have repeatedly stated that by 2030 you will own nothing, go nowhere, eat bugs and be happy - or be moved on to the next phase of your life.

Arthur Cronkhite

**Vermillion County - January 2024 Resolutions
Sale Accounts with Potential Equity**

TREASURER: The sale accounts listed below *may* have some equity related to the principles stated in Tyler v. Hennepin Cnty., Minnesota, 143 S. Ct. 1369 (2023).

We suggest you set aside the Potential Equity amount shown in the event a claim is made by the prior owner.

Our calculations are based on the limited information we have. We compare the County Auction proceeds to the final redemption amount. There may be additional taxes due for the current year and/or forfeitures that were not part of the original certificate. There may also be additional costs that we do not have in our data. These are only estimated amounts. Any sale accounts not shown on this report do not have potential equity, meaning the County Auction proceeds are less than the redemption amount. If no accounts are shown, then no current sale accounts have potential equity.

Auction Item #	Parcel#	Sale Amount	All County Proceeds	Redemption Amount	Potential Equity
